

5) Like the theater experience, but the crowds make you anxious?

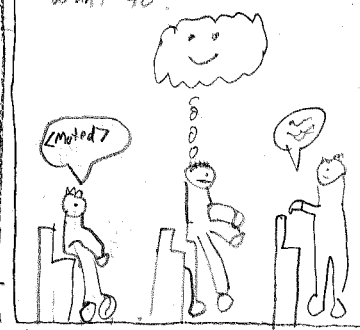

Watch movies with the VR Theater!

Control the size and spacing of the theater!

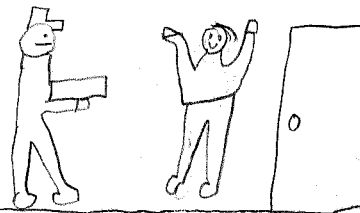

Talk with who you want, and mute the ones you want to!

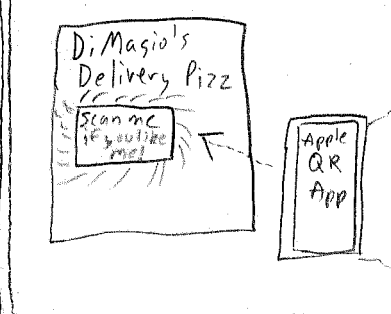

When you're done, take off the headset, and you're right back home!

6) You may not set out much, but I bet you love delivery pizza!

Hmm, what's this on the delivery box?

Woah, what's this? A food-lovers meetup site?

Wow, look at all these delivery places!

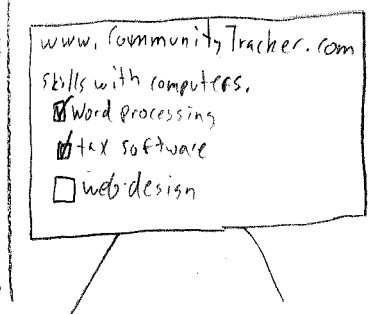

And Foodbook even helped me meet up with other food-lovers!

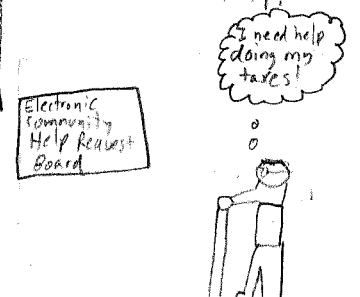

When Mary first moved in, her leasing agent asked her to enroll in the Community Helper program.

The Community Helper takes Mary's skills & interests...

and matches Mary with other in her community who could use her help!

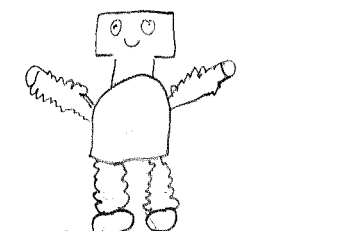

Mary helps George do his taxes!

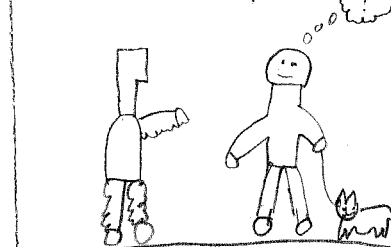

Thanks to Community Helper, Mary stays involved in her apartment community!

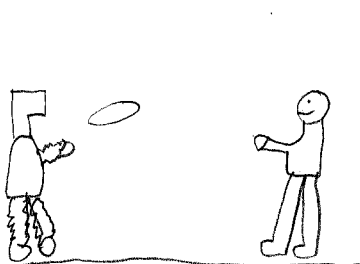

Meet Robbie, the local community companion!

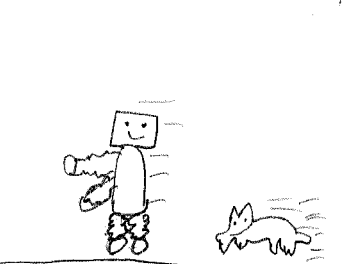

Robbie wanders the apartment grounds with fun things to do!

Robbie always carries fun toys on him!

Robbie doesn't mind if resident dogs chase him!

Robbie can act as a companion for any resident who needs him!
